

# I Get

Rich Homie Quan

A lot of times  
I be having a lot on my mind right  
So I sit back on my bed, and look up at the ceiling  
Cause I feel like, this shit ain't for me

It may seem like life don't love you no more  
I done had dreams like that felt so real I thought I was woke  
Sometimes I feel like I wanna give up with no hope  
Why does it feel like a nigga fucking with me cause of what I do?

I get the picture  
I get you niggas  
I get money, I get bitches  
I get 100's, I get 50's  
I get checks over a 20  
I get checks buss 'em if they over 20  
I'll buss yo bitch, only if she over 20  
I got my bitch just incase you niggas creepin'  
She'll buss at him, if I hear that nigga creepin'

A couple million (I got)  
A couple hunnid thousands in stock nigga  
And a couple billions (I got)  
A seven year old lil boy these folks don't know (I got)  
Problems like they do

When she asked for money, who asked for custody? (I did, I swear to God I did)

They daddy be gone gotta feed they two mouths  
That ain't easy  
Try to let 'em know it ain't 'bout me  
It's about them, gotta let 'em know  
Woah woah woah

If you know a nigga dead let me hear you scream:

Ridin round with 20 bags in the trunk  
But that ain't none of my business, I got my own problems  
My daddy still in the hospital  
Just lost my grand-mama (grand-mama grand-mama)  
I come from where you don't come from  
I from the slums, aka, the fucking jungle  
I want that tongue if I hear yo ass mumble  
Look about me, go to.com but  
Looking for my white Tee  
Don't give up just because

It may seem like life don't love you no more  
I done had dreams like that felt so real I thought I was woke

You gotta do something you ain't never had to do  
Step out the box nigga
