

Never Made It

Rich Homie Quan

Eh, they said I wouldn't be shit
They thought that shit was over with
Sose can't say it
Quan you got to go back to you bro

When I was little I had people say I would never make it
Them same people who said it and now we separated
They think I'm sleep playing dead no I'm just meditating
Don't take that fame to the head grind like you never made it

Sound like you never made it
I keep that money on my mind like I never made it
Snitch I never made it
Every check you better save it
I'm still aiming for the top like I never made it
Never made it

Never thought that I would be in the situation that I'm in
Never thought these folks would turn their back on me thought t
hey was fam

When I was little I had people say I would never make it
Them same people who said it and now we separated
They think I'm sleep playing dead no I'm just meditating
Don't take that fame to the head grind like you never made it

Sound like you never made it
I keep that money on my mind like I never made it
Snitch I never made it
Every check you better save it
I'm still aiming for the top like I never made it
Never made it
