

## Brother's Keeper

Rich Mullins

Now the plumber's got a drip in his spigot  
The mechanic's got a clank in his car  
And the preacher's thinking thoughts that are wicked  
And the lover's got a lonely heart  
My friends ain't the way I wish they were  
They are just the way they are

And I will be my brother's keeper  
Not the one who judges him  
I won't despise him for his weakness  
I won't regard him for his strength  
I won't take away his freedom  
I will help him learn to stand  
And I will, I will be my brother's keeper

Now this roof has got a few missing shingles  
But at least we got ourselves a roof  
And they say that she's a fallen angel  
I wonder if she recalls when she last flew  
There's no point in pointing fingers  
Unless you're pointing to the truth

And I will be my brother's keeper  
Not the one who judges him  
I won't despise him for his weakness  
I won't regard him for his strength  
I won't take away his freedom  
I will help him learn to stand  
And I will, I will be my brother's keeper

I will be my brother's keeper  
Not the one who judges him  
I won't despise him for his weakness  
I won't regard him for his strength  
I won't take away his freedom  
I will help him learn to stand  
And I will, I will be my brother's keeper
