```
I know the just shall live
I know the just shall live
I know the just shall live
By faith
```

'Cause You won't let Your Holy One No, You won't let Your Holy One You won't let Your Holy One See corruption in the grave

Because He put His trust in You Because He put His trust in You Because He put His trust in You Many shall be saved

And I know that You will raise them up I know that You will raise them up I know that You will raise them up On the last day

For the Lord looks down on the sons of men To hear the cries of the innocent And the guilty will not stand For the day of reckoning soon will come And the whole world will see justice done By the Lord's almighty hand

So I'm telling you the just shall live I know the just shall live I know the just shall live By faith

And You will raise them up
I know that You will raise them up
That You will raise them up
On the last day

And the prayers stand where the fighters fell And time testifies with the tale that it tells That the meek shall inherit the earth And the Church advances on the gates of hell And she clings to a light that will not be quelled By the kingdoms of this world

I'm telling you the just shall live
I know the just shall live
I know the just shall live
By faith

And You will raise them up
I know that You will raise them up
You will raise them up
On the last day
