Ain't Ready

Rich The Kid

We pullin' up with no invitation
I finally made it, it's no debatin'
Might walk with a hundred for motivation
My bitches they fuck off a conversation
Told y'all Rich Forever pockets too heavy
Y'all niggas ain't ready
Told y'all Rich Forever pockets too heavy
Y'all niggas ain't ready

Ball tomorrow
Rich bought an Audemar
Call up Tavar
Caught a charge
Riding the wave so hard
Everybody wanna go get a Goyard
Y'all niggas ain't ready
Rich Forever pockets too heavy

(Told y'all niggas ain't ready
AP diamonds and they heavy
I got a bitch named lil betty
She like to whip up my extras)
We gettin' money forever
Quarter mil, dug it up with a shovel
Too much water, my diamonds a puddle
Thanking God I came up from the struggle
(Wait, I cannot fuck with no busters
Half of these niggas be suckers
Get the bag and I tell them to truck it
Smokin' dope and you know it's so musty)

I finally made it through dedication
I'm swervin' in something, she devastated
I'm winning, don't need your congratulations
(Wait, most of these niggas they hating
Look up and told mama I made it
Don't give a fuck 'bout these ladies
My watch on my wrist cost me eighty)
