Catchin' neck in the Rolls Royce, in your ocean, I'm in with the moist, moist  
I don't even know her name, no, keepin' secrets that's a choice, choice  
Real commas on the jeans, jeans, bad bitch in Céline, 'line  
They only call me when they need me, I've been livin' out the dream, dream (Oh)  
No we don't argue with opps, we spinnin' that block and we takin' that shot  
They tryna throw me in that box  
Plenty bitches in the penthouse, on the thirtieth floor (Yeah, yeah, yeah)  
Dior bag for my main, she stay askin' for more (Woah, woah, woah)  
A lotta blue ones, it's on me, my pockets choke  
Show her the racks, racks, promise that she gon' fuck (Gon' fuck)  
Sneaky links with these bitches but we never fallin' in love, no (No, oh)  
House in LA with the view, I put your bitch in the tub  
Hunnid K for the crib 'cause we just livin' it up
