Rich The Kid

No  
(What lil' shawty, what lil' shawty say)  
Bitch, pop for 'em  
Racks, hey  
There's a lot of money comin' round  
What, yeah, yeah  
Real diamonds  
Yeah

I'm a gargoyle  
Got 'em hard boiled  
Where this popcorn?  
I'm on top floors  
Bitch, I'm crunchin'  
I mean Tom Sawyer  
Black on black mirror  
That is charcoal

That's the damn fight  
In the damn sauna  
She's a lawn mover  
I just John Doe'd her  
I'm a leaf blower  
Call her reef goer  
Where them bad bitches?  
Tell 'em come forth  
Stampin' passports  
Livin' fast forward  
Pull that Drac', don't measure  
Told her, dick, don't mention it  
Got no recollection  
Keep that bread like breadsticks  
Drop them bags, I'm rushin'  
I'm fucked up from pushin'

Bring your sister with you  
Please don't take no pictures  
Why my diamonds dancin'?  
Michael Jackson, Thriller  
Thr-thr-through the dashboard  
I paid cash for it  
Your bitch ass for  
You brought her back boy  
Drop-rop-droppin' the top of my coupe  
I make a lick for the roof  
Fuck her, but you call her boo  
Not one watch on, got two  
I work hard for it  
Make a movie, get your popcorn  
Whippin' babies like a newborn  
Countin' them racks and I'm hopin' for more

I'm a gargoyle  
Got 'em hard boiled  
Where this popcorn?  
I'm on top floors  
Bitch, I'm crunchin'

I mean Tom Sawyer  
Black on black mirror  
That is charcoal

(Woo, woo, woo, Offset)  
My coupe a gargoyale  
Trapper got a knife like a samurai sword  
25 thots on the yacht, all aboard  
Runnin' at the charts, get the bag on fours  
We 'bout the night, fuck, get out the spot  
We 'bout to find up, pussy nigga die  
You bombaclarat, talk a lot, get shot  
Black Lamborghini, Molly Rock, oh my  
Hoppin' in my Bentley, give me top, why not  
Yeah, we got them sticks, we chop  
Hold up, we 'bout to go and blister up  
Plain, two fifths on a watch  
Get my spot (get it)  
Niggas can't get my spot (no, brrrr)  
Birds gon' flock (brrrr)  
I just had surgery on the lot (surgery)  
White like Andy Milonakis (white, white)  
Twisters tucked in my crotch  
Stitch right there in the couch, ooh  
Pushed down a bando house (hey)  
Don't step down like a mouse, ooh  
I got more water than a cloud (water)  
Invite your daughter to the house (daughter)  
I'ma get in there, put the bitch out (get out, hey)

I'm a gargoyale  
Got 'em hard boiled  
Where this popcorn?  
I'm on top floors  
Bitch, I'm crunchin'  
I mean Tom Sawyer  
Black on black mirror  
That is charcoal
