

# Loose It

Rich The Kid

Hop in the Maybach cruisin'  
I get the cake, they lose it  
I get the cake, hoes choosin'  
These niggas fake, we do it  
Hoppin' up in the Wraith, zoomin'  
Sippin' a lil drank, snoozin'  
Walking into the bank, foolish  
Tryna copy, you can't do it  
Ho tried to play me, I ain't stupid  
She wanna lay up, I ain't cupid  
We just get up and get straight to it  
Just bought a K, I got nothin' to say to it  
I'ma cash out and get right back  
We showin' off, he ain't like that  
Workin' the most, spend a light bag  
In the new freezer, that's an icepack

Wish these hatin' niggas good luck  
Cali smokin' on the good stuff  
New Benz, I'm like good work  
Diamonds dancing, they got footwork  
[?] talkin' 'bout pouring fours  
She ain't suckin' then the bitch gotta go  
Me and bunny ballin' like pick and roll

In the foreign, I'm with Rico and Doe  
Hood favorite, I'ma put on a show  
Good drank, get it in for the low  
To the face, good blunt and the dope  
Gotta stay safe nigga, walk with a pole  
These niggas actin' like shooters, they ain't  
These niggas never gon' bang  
Gotta watch out for these niggas, they fake  
These niggas never could hang  
I need them diamonds that look like a lake  
Diamonds looking like the rain  
Shawty I ain't tryna hear what you think, Backwoods for the pain  
Hey, ballin' like EA Sports but I'm not with the games  
In the foreign, she giving me brain  
He a dork, why he fuckin' with lames
