Rich The Kid

That's right, that's right  
That's right, that's right  
That's right, that's right  
That's right, yeah  
Cashed out on a Masi  
Hunnid racks, got it on me  
Broke niggas hatin' on me  
Flexin' on 'em with the rollie  
That's right, that's right  
That's right, that's right  
That's right, that's right

That's wrong, they was hatin' all alone  
With the money, not alone  
Trap talk on the phone  
Wonder why they did hatin' me  
One verse that's a rollie  
I was runnin' from the police  
Servin' the J, he got no teeth  
Fit the work like a skateboard  
I got the molly she asked for  
She gon' talk me in a two doors  
Now I'm rich, I want more  
That's right  
I put your bitch on a flight  
I can buy you what you like  
I run to the check like a night  
Rich forever in these diamonds  
You cannot stop me from shining  
Look in my rollie, going blind man  
Stevie I play with the key but no blind man  
That's right, I got rich over night  
Sniper hit you in your life

That's right, that's right  
That's right, that's right  
That's right, that's right  
That's right, yeah  
Cashed out on a Masi  
Hunnid racks, got it on me  
Broke niggas hatin' on me  
Flexin' on 'em with the rollie  
That's right, that's right  
That's right, that's right  
That's right, that's right
