

# Slow Was My Heart

Richard Ashcroft

**C - F - C**

**C F C**

Slow was my heart

**C F C**

And so you had gone

**F C**

So we move on

**F C**

Please stay strong

**F C**

It keeps on turning yeah yeah for everyone

**F C**

We keep on learning yeah yeah to kiss the sun

Weak was my strength

Your hand I should have lend

So we move on

Please stay strong

It keeps on turning yeah yeah for everyone

We keep on learning yeah yeah to kiss the sun

Like everyone

Fly, fly my plane

To an eastern runway

And tell me why

Love must die

It keeps on turning yeah yeah for everyone

You keep on learning yeah yeah to kiss the sun

I'm just like everyone

(Keep on learning yeah yeah) (4x)

(Keep on learning yeah yeah) (3x)

For everyone

(Keep on learning yeah yeah) (3x)
