

Weeping Willow

Richard Ashcroft

When morning breaks
And we hide our eyes and our lung's aching
Nothing's strange
It was in our hands
From 6 to 10
It slipped right out again

There'll be no better time
There'll be no better way
There'll be no better day to save me
Ah, save me
Yeah, save me
Ah, save me

I hope you see like I see, ah
I hope you see what I see, ah
I hope you feel like I feel, oh

Yeah, oh, come on

And the world don't stop
And there is no time for cracking up
Believe me, friend
'Cause when freedom comes
I'll be long gone
You know it has to end

There'll be no better time
There'll be no better way
There'll be no better day to save me
Ah, save me
Yeah, save me
Ah, save me

I hope you see like I see, ah
I hope you feel what I feel, ah
Someone to stand beside and live this life

Yeah, oh, come on

A weeping willow
Pills under my pillow
A weeping willow
Pills under my pillow
A weeping willow
Pills under my pillow
A weeping willow
Pills under my pillow

I got to learn to leave my pain
Walk through the door and kiss the rain
I got to learn to leave my pain
Walk through the door and kiss the rain
