

# Nookie/Break Stuff

Richard Cheese

I came into the world as a reject  
Look into these eyes  
Then you'll see the size of the flames  
That are pullin on my past  
Burnin on my brain  
Everyone that burns has to learn from the pain  
Hey, I think about the day  
My girlie went ran with my pay  
When fellas came to play  
Now she's stuck with my homies that she fucked  
And I'm just a sucker with a lump in my throat

Like a chump, hey

Should I be feelin' bad?  
Should I be feelin' good?  
It's kinda sad I'm the laughing stock of the neighborhood  
And you would think that I'd be movin' on  
But I'm a sucker like I said  
Fucked up in the head, not!  
And maybe she just made a mistake  
And I should give her a break  
But my heart will ache either way  
Hey, what the hell, what you want me to say?  
I won't lie, that I can't deny

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your

Why did it take so long?  
Why, did I wait so long, huh?  
To figure it out, but I did it  
And I'm the only one  
Underneath the sun who didn't get it  
I can't believe that I could be deceived  
By my so-called girl, but in reality  
She had a hidden agenda  
She put my tender, heart in a blender  
And still I surrender

Like a chump, hey

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your

I'm only human  
It's so easy for your friends to give you their advice

They'll tell you, just let it go  
It's easier said than done  
I appreciate it, I do, but  
Just leave me alone  
Leave me alone  
Just leave me alone  
And nothing gonna change  
You can go away  
I'm just gonna stay here  
And always be the same

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your.. yeah!  
Stick it up your
