

Savage

Richard Cheese

I'm that bitch
Been that bitch, still that bitch
Will forever be that bitch

I'm a savage
Classy, bougie, ratchet (Yeah)
Sassy, moody, nasty (Yeah)
Acting stupid, what's happening? (What's happening?)
Bitch, what's happening? (Woah, woah)
Bitch, I'm a savage, yeah (Woah, woah)
Classy, bougie, ratchet, yeah (Woah, woah)
Sassy, moody, nasty (Woah, woah)
Acting stupid, what's happening? (What's happening?)

I'm the hood Mona Lisa, break a homie into pieces
Had to X some cheesy cheeses out my circle like a pizza
I'm way too exclusive, I don't shop on Insta' boutiques

All them lil' ass clothes only fit fake booties

Bitch, I'm lit like a match
And any homie I let hit is still attached (ooh)
That body right, but you know this p*ssy fat
I drop a picture, now these bitches feel attacked (aay)
Don't let them gas you up and get you whacked
I'm a savage
Classy, bougie, ratchet (Yeah)
Sassy, moody, nasty (Yeah)
Acting stupid, what's happening? (What's happening?)
I'm a savage
Classy, bougie, ratchet (Yeah)
Sassy, moody, nasty (Yeah)
Acting stupid, what's happening?
What's happening?
