

Smoke Two Joints

Richard Cheese

She was living in a single room with
Three other individuals one of them was
A male and the other two, well the other two were
females
Lord only knows what they were up to in there
And further more susan i wouldn't be the least bit
surprised
To learn that all four of them had eventually smoked
marajuanacigarettes
.... refers

I smoke two joints in the morning
I smoke two joints at night
I smoke two joints in the afternoon
And it makes me feel all right.

I smoke two joints in time of peace
And two in time of war
I smoke two joints before i smoke two joint,
And then i smoke two more.

Daddy he once told me,
"son, you be hard workin' man"
And momma she once told me,
"son you do the best you can"
Then one day i meet a man,
He came to me and said,
"hard work good and hard work fine,
But first take care of head"

Whoa rock me to the night
