

Wrong Way

Richard Cheese

Annie's 12 years old
And tomorrow she'll be a whore,
Nobody ever told her
It's the wrong way.

Don't be afraid with the quickness you'll get laid
For your family get paid
It's the wrong way.

I gave her all that I had to give,
I'm gonna make it hard to live.
Big Salty tears running down her chin
And it ruins up her make up
They never wanted.

A cigarette,
rests between her lips
but I'm staring at her tits,
It's the wrong way.

Strong if I can,
But I am only a man,
So I take her to the can,
It's the wrong way.

The only family that she's ever had
Is her 7 horny brothers
And her drunk-ass dad.
He needed money
So he put her on the street,
Everything was going fine until the day she met me.

happy are you sad?
Wanna shoot your dad
I'll do anything I can
If it's the wrong way.

We talked all night and
Tried to make it right,
Believe me shit was tight,
It was the wrong way.

Don't run away if you wanna stay,
Cause I ain't here to make ya', oh no
It's up to you what you really wanna do
Spend some time in America, dub-style!

She'll give you all that she got to give,
But I'm gonna make it hard to live.
Big salty tears rolling down to her chin
And it smears up her makeup
The never wanted.

So we ran away
And I'm sorry when I say
That straight to this very day
It was the wrong way.

She took a hike,
Don't matter if I like it or not
Because she only wants
The wrong way.

I gave her all that I had to give,
But she still wouldn't take it, oh no.
Her two brown eyes are leaking like a sieve,
And it still ruins her makeup
They never wanted.
