

Holy Spirit

Richard Edwards

Take me to bed
It's on in a minute
I can feel it
Taste starts to change
Smell ain't the same
The Holy Spirit!

You got a hole in your head
Got a hole in your head where all my gloom goes
Just where it wanna
A fuse blows
Just cause it's gotta
To the hole in your head
The hole in your head

Off of my mood
From Stormy and rude
To a mind most mellow
Nothing's the same
Hours don't change
And light lands easy

On the hole in your head
There's a hole in your head where all my blues go
Something ignites
And the fuse blows
Mama, you oughta know
Got a hole in your head
The hole in your head

I feel a ray of hope!
I feel a rush of dopamine you've given me
Since you have given me

I feel a ray of hope
I feel a rush of dopamine you've given me
Since you have given me

The hole in your head
The hole in your head
The hole in your head
The hole in your head
