

When You Get Lost

Richard Edwards

California
Up and curled your hair
Burned it blonde
Set it wild
I thought of you
The golden tooth
You hid from me all summer
Oh, you hid...

When you get lost inside your dream
That's when it all goes wrong
When things go better than they should go
That's when it all goes wrong
And things get weird
Never let 'em sing your song
When it gets weird

In the next life
Set of tow-haired twins
Lock me up
With all their friends
But I thought of you
Those bourbon eyes
And I couldn't pull myself together
No, I can't pull myself...

When you get lost inside your dream
That's when it all goes wrong
When you get blinded by the moon
That's when it all goes wrong
When things get weird
Never let 'em sing your song
When it gets weird
Never let 'em sing it

When you get lost inside your dream
That's when it all goes wrong
When life feels longer than it used to
That's when it all goes wrong
And things get weird
Never let 'em sing your song
Let it stay weird
Never let 'em sing your song
Never let 'em sing your song
Never let 'em sing your...
