

Love Of My Life

Richard Hawley

Love, love of my life
Speaking so soft to me
I wait in the rain
Your sin in your eyes
Washing all over me

Time, time on my side
Wondering sweetly
I'm singing your name
Your name on my mind
You think of it all for me
Love in this same old disguise

Love of my life
Love of my life
Love of my life
Love of my life
Love of my life
Washing all over me
Love in the same old disguise

Love, love of my life
Sleeping so softly
I burn in the flames
The flames of your eyes
Waiting all over me

Time, time on my side
Whispering sweet to me
I'm singing your name
Your name on my mind
You think of it out for me
Love in the same old disguise
