

Not Lonely

Richard Hawley

You signed on all the papers for a home
Can't wait to be there on your own

The world can go ahead
And hang it shamed for shame
In needing more
And time is not your own
Well it is behind those doors

Cos loneliness is not
The same as being on your own
No loneliness is not
The same as being on your own

You tore up your head all in your hands
Just another lie hung on the man

And you got so much more
Than this world can ever know
And that's your truth
And no one else is owed
And your feelings are your own
Under that roof

Cos loneliness is not
The same as being on your own
No loneliness is not
The same as being on your own
