

# Everybody

Richard Marx

So here you are now, nowhere to go  
It's just the same old yesterday  
And you made a promise to yourself  
That you were never gonna be this way  
And the only thing that you've ever known is to run  
So you keep on driving faster into the sun

Cause everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes

Don't have to find your own way out  
You gotta voice, let it be heard  
Just when it feels you're on a dead end road  
There's always somewhere left to turn

So don't give up now  
You're so close to a brand new day  
And if you just don't want to be alone tonight  
Then I'll stay

Cause everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes

Well, maybe I been too caught up to see  
What you've been going through and all that I can say is I'm here now

Everybody needs somebody sometimes  
Everybody needs somebody sometimes  
Oh oh everybody needs somebody sometimes  
Everybody needs somebody sometimes  
Everybody needs somebody  
When there's nothing but shadow falling down  
Falling down  
Oh oh, oh oh, oh oh, oh oh  
Everybody needs somebody sometimes
