

Standing

Richard Smallwood

Lord, we walk by faith and not by sight
Sometimes we can't see beyond the night
But we know beyond the gloom there's light
I am standing on Your promises

Jobs are gone, the economy has failed
But were praying that our land You'll heal
And we know through faith we will prevail
Yes I am standing on Your promises

I'm standing on Your promise
Trusting in Your word I'm
Standing on Your promise
Trusting in Your word

Standing on Your promises

Standing, standing, standing on the promises of Christ my Savio

Standing, standing
