

Unbroken Promises

Richard Smallwood

They promised that they'd always be there for me
And when I needed them, they'd be around
But when I called on them in my trouble
Those that promised me could not be found
They say that promises are made to be broken
But Your promises have never let me down
You're the author of unbroken promises

Yes and amen are your promises
And what You've said will come to pass
For You're no shorter than Your promise
And Your word shall always last
They say that promises are made to be broken
But your faithfulness has never been surpassed
You're the author of unbroken promises

Your promises shall come to pass
Great is Your faithfulness
Your word shall always last
You're the author of unbroken promises

That settles it

You're the author of unbroken promises
You are the author of unbroken promises
