

# Am I Wasting My Love On You?

Richard Thompson

Oh I can't get started, and I'm broken hearted  
You smile so sweet but you're fast on your feet  
Do you want me to catch you, or just get near?  
Should I chase you forever? I think I got the idea

Am I wasting my love on you?  
Am I wasting my love on you?  
Am I wasting my love on you?  
Must be better things I can do

Oh I went to a party, you were standing there  
You looked so retiring with that fruit in your hair  
I said "What gives?" and you said "I do"  
And that was the last sense I ever got from you

Am I wasting my love on you?  
Am I wasting my love on you?  
Am I wasting my love on you?  
Must be better things I can do

Well I'm wasting my love, wasting my love, wasting my love on y  
ou  
Wasting my love, wasting my love, wasting my love on you

Am I wasting my love on you?  
Am I wasting my love on you?  
Am I wasting my love on you?  
Must be better things I can do

I went to your house, and I drank your tea  
We were getting very cosy on Greek philosophy  
You chewed on my ear and when I begged for more  
You went off to bed, barricaded the door

Am I wasting my love on you?  
Am I wasting my love on you?  
Am I wasting my love on you?  
Must be better things I can do  
Than wasting my love, wasting my love, wasting my love on you  
Am I wasting my love, wasting my love, wasting my love on you  
I'm wasting my love, wasting my love, wasting my love on you  
Am I wasting my love, wasting my love, wasting my love on you
