

# Don't Renege On Our Love

Richard Thompson

Remember when we were hand in hand  
Remember we sealed it with a golden band  
Now your eyes don't meet mine, you've got a pulse like  
fever  
Do I take you for a lover or just a deceiver?  
Simple is simple and plain is plain  
If you leave me now you won't come back again  
When the game is up, ah don't renege on our love  
No, don't renege on our love  
Ah no, don't renege on our love, don't renege on our love

Well give me just an ounce of sympathy  
Give me my chains of liberty  
There's a rope that binds us and I don't want to break it  
If love is a healing why should we forsake it  
Well hunger is hunger and need is need  
Am I just another mouth to feed  
When the game is up, well don't renege on our love  
No, don't renege on our love  
No, don't renege on our love, don't renege on our love

When my heart breaks it breaks like the weather  
If you leave me now it'll thunder forever  
Oh, don't give it up. Well, well, don't renege on our  
love  
Ah no, don't renege on our love  
No, don't renege on our love, don't renege on our love  
Don't renege on our love
