

Seems We Were Dreaming

Richard Wright

When you go to sleep
Your life is a picture
Pictures you're dreaming
Seems we were dreaming
Secrets you've been keeping
Sleeping on your mind
Let me close my eyes
To see what I'm feeling
Feel what I needed
When you go to sleep
In my head is a picture
Pictures we're dreaming

Seems we were dreaming
Pictures
Let me close my eyes
To see what I'm feeling
Feel what I'm needing
Seems we were dreaming
Pictures
Secrets you've been keeping
Sleeping on your mind
When you go to sleep
In your head is a picture
Pictures you're dreaming
Go to sleep
Go to sleep
Feel what I'm feeling
