

I Can't Make It Anymore

Richie Havens

I get too low with no reason
You say its the moon or maybe the season
but something's not the same
and I won't let my mind believe
Baby, something's wrong
or the feelings gone
I can't make it anymore
I can't make it anymore

Lately I don't feel much like talking
instead of going home I just go out walking
and thinking too much and not longing for your touch
baby somethings changed
I don't feel the same
I can't make it anymore
I can't make it anymore

Don't know the reason why
but I just can't lie
when I feel this way
there are things that I must say
can't make it anymore
I can't make it anymore
I can't make it anymore
I can't make it anymore
Oh, anymore

Where did we go wrong?
Where do i belong?
Can we find out when
it all began?
Why i'm leaving you
Why our love aint true
I can't make it anymore
I can't make it anymore
No, no no no
no no, no no, no
