

## Bad Situation

Richie Kotzen

I can't let it go  
I can't stop thinkin how you feel  
Why you ever come around me  
Doing everything.. that's what you do  
Causing a pain...  
And making a pleasure  
Leaving baby  
But leave me alone!

You're so bad for me girl  
Bad for you, see  
Oh it's just a bad situation all around

And it's too bad for me that I keep waiting for you  
Just a bad situation all around  
If you're in love with me,  
Why don't you tell him? Come clean..  
It's a bad situation all around

I've been havin doubts  
Maybe I'm meant to be alone  
I've been thinking love escapes my kind

But I don't know for sure  
Why you're playing with me..  
Why can't I let it go?

You're so bad for me girl  
Bad for you, see  
Oh it's just a bad situation all around

Every time I touch you, I wanna say I love you  
But you know I, I know I can't just trust you  
I say it ain't fair.. I should've been aware  
That you had a husband when you said "I want you"

You're so bad for me girl  
Bad for you, see  
Oh it's just a bad situation all around

I want to be one with you  
I want to run with you  
I want to have fun with you baby, alright
