

## Deeper (Into You)

Richie Kotzen

I look around and all I see is empty spent and broken down  
Rows of people manufactured plastic magic  
Aren't they beautiful  
Then you come over to me  
Holding something so fresh and natural  
Now I don't know why it could be disguise  
But hey, something movin' me  
Your stuck on my mind  
No matter how hard I try I keep getting into it more

I'm goin' deeper I'm standing higher I'm falling harder into you  
I'm getting weaker I'm sinking deeper  
I'm falling harder into you

How many times have I tried to fit into this phony world  
Sometimes I can't help but think that  
Maybe I should go on and get outta here  
But then I see you I'm thinkin' it through  
Say the words and I will understand every one

I'm goin' deeper I'm standing higher I'm falling harder into you  
I'm getting weaker I'm sinking deeper  
I'm falling harder into you

I've been all around the world up and down  
And I could never find what I was looking for  
All I had to do is look at you and I would finally see  
You've be a part of me

I'm goin' deeper I'm standing higher I'm falling harder into you  
I'm gettin' weaker I'm sinking deeper into your heart  
I'm fallin' harder into you I'm goin' deeper  
I'm standin' higher  
I'll take you all the way were goin' home girl I'm bringing you home  
I'm takin' you home with me  
All the way.... all the way home to philadelphia
