

I'll Be Around

Richie Kotzen

This is our fork in the road love's last episode there's
no
Where to go oh no
You made your choice and now it's up to me
To bow out gracefully
Though you hold the key but baby

Whenever you call me I'll be there whenever you want me
I'll be there
Whenever you need me I'll be there I'll be around

I knew just what you'd say now I found my today
And all the words have slipped away
But I know there's always a chance a tiny spark
that remains
And sparks turn into flames where love can burn once again
And I know you know

Whenever you call me I'll be there whenever you want me
I'll be there
Whenever you need me I'll be there I'll be around
