

Metamorphoze

Richie Kotzen

I can feel it somethings wrong every second that your gone
Is it real or in my mind
I feel like I need your touch it's that thing I miss so much
I can feel it in my soul
My wasted life I'm chasing time I know your real
My only hope is if I put my faith in you

On and on and on and on I'm breaking I'm still waiting
even now
On and on and on and on I'm fading I'm still waiting
even now

You live in my memory good and bad a part of me
And I'm never letting go
I traveled through all space and time to be with you

On and on and on and on I'm breaking I'm still waiting
even now
On and on and on and on I'm fading I'm still waiting
for you now

On and on and on and on I'm breaking I'm still waiting
even now
On and on and on and on I'm fading I'm still waiting
even now
