

No Kinda Hero

Richie Kotzen

If you're looking for an answer
If you're looking for a way
You may find it looking after
I'll be on the way

I may not be your answer girl
But I can help you find the key

I'm no kind of hero
But I'd sure like to be
You're some kind of hero
I'll take you with me

And you feel like a shooter
Who never seems to win
And you come out on the pathline
Where the seven is your friend

You may rule out the snake eyes
Or you can turn around and win

I'm no kind of hero
But I'd sure like to be
You're some kind of hero
I'll take you with me
