

Reach Out I'll Be There

Richie Kotzen

Now if you feel that you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion
And your world around is tumblin' down
Darling, reach out reach out for me

I'll be there with a love that will shelter you
I'll be there with a love that will see you through

When you feel lost and about to give up
Because your best just ain't good enough
And feel the world has grown cold
And your trippin' out all on your own
And you need a hand to hold
Darling, reach out reach out for me

I'll be there to love and comfort you
I'll be there to cherish and care for you
I'll be there to always see you through
I'll be there to love and comfort you

I can tell by the way you hang your head
You're without love now, now you're afraid
And through your tears you look around
But there's no peace of mind to be found
I know that what you're thinking you're alone
with no love of your own

I'll be there to give you all the love you need
I'll be there you can always depend on me
