

Step Away

Richie Kotzen

I'm a step away
I'm a step away from leaving you alone
Yeah I'm a step away baby
I'm a step away from leaving you alone
You know there's been too much bad goin' on
And I don't have the strength to hold on

I'm a mile away
I'm a mile away from where I'm going
I'm a mile away
Yeah I'm not so far from where I'm going
You know I've been around here too long
I don't have the strength to carry on

You know I tried
None know how I tried
But it seems to me that we've been living a lie
I'm not leaving oh not yet
But I'm one step away

So you're crying now
And you're wasting away all of your tears
You're crying now
And you're wasting away all of your tears
You know you'd better save all you can
'Cause you're gonna need it to get through the years

I'm a step away
I'm a step away from leaving you alone
I'm a step away
A step away from leaving you alone

You know there's been too much bad goin' on
And I don't have the strength to hold on
You know I tried
Oh none knows how I tried
But it seems to me that we've been living a lie
So I'm leaving
I'm leaving a step away
