

# Take Flight Gundam

Richie Kotzen

Gotta fly away, gotta fly away, gotta fly away, gotta fly away  
Take me home!

Fly away on my own  
I don't know where I'm gone  
Living in the shadow of my own  
Cause the war I'm fighting is all for you  
You know it's true  
Take fly, Gundam!

Gotta fly away, gotta fly away, gotta fly away, gotta fly away  
Take me home, take me home

I'm trying to make my way  
I guess I'll die another day  
Cause in the world I live in, I belong

Cause the war I'm fighting is all for you  
You know it's true  
Take fly, Gundam!

Gotta fly away, gotta fly away, gotta fly away, gotta fly away  
Take me home, take me home
