

This Is a Test

Richie Kotzen

A spider's web we weave
Each strand is a memory we manifest
Is it a test?

I bid farewell to thee
And I give you grace under duress
This is a test

In all of the ways that I'm wrong
And the times you won't say
And all the debates that were lost
This is a test

We've been looking away for too long
If you don't mind, I don't mind
If this is a test for your needs
Then this is a test for me
And I'm gonna pass it fine
We were just passing time

The roses bloomed for me
But the ice storm came and put em to bed
The flowers dead

The game play ends you see
My life's too short to stay in my head
I'm out of the bed

In all of the ways that I'm wrong
And the times you won't say
And all the debates that were lost
This is a test
We've been looking away for too long
If you don't mind, I don't mind
If this is a test for your needs
Then this is a test for me
And I'm gonna pass it fine

Get it out of your head
I'm out of the bed

In all of the ways that I'm wrong
And the times you won't say
And all the debates that were lost
This is a test

We've been looking away for too long
If you don't mind, I don't mind
If this is a test for your needs
Then this is a test for me
And I'm gonna pass it fine
We were just passing time
