Till You Put Me Down

Richie Kotzen

Sometimes you just have to walk away
Ain't no lying, ain't no fighting when you're gone
And sometimes you just have to turn the page
Ain't no game, ain't no struggle when its over
I can feel, I can feel when it starts turning cold
There's no reason to lie when you feel that it's gone

All that I've survived yet I can't escape the pain
All that I can do leave it up to you till you put me down
All that I've survived yet I can't escape the pain
All that I can do is leave it up to you
Until you put me down

Sometimes it ain't nothing that you say
Just a look just a feeling or expression
And sometimes it ups and slips away
Out of your head, through your heart, through your fingers
I can't say that my heart has been telling the truth
But I know that my head has been spinning all because of you

All that I've survived yet I can't escape the pain
All that I can do leave it up to you till you put me down
All that I've survived yet I can'tescape the pain
All that I can do is leave it up to you
Until you put me down
