

## Times Gonna Tell

Richie Kotzen

you've got everything a girl could want  
Charm courtesy Yves St. Laurant  
Cinderella at the cat club ball  
It's hard to hide from the clock on the wall

Time's gonna tell on you  
Time's gonna tell on you

Up the alley in a black limousine  
Through the back door, oh what a scene  
Now the night is young and so are the years  
Girl, you'd better run, run, run, before it all disappears

Time's gonna tell on you  
Time's gonna tell on you

You can't escape it, no no, times gonna tell yea, yea, yea, yea,  
, yea, yea.

Time's gonna tell on you  
Time's gonna tell on you
