

# Father Time

Richie Sambora

Father time  
I couldn't make her wanna stay  
I couldn't seem to find the words to say  
Now I have to live in yesterday

Father time  
I thought that you were on my side  
I thought that I could keep our love alive  
I thought that I could keep her satisfied

The clock keeps tickin' and I keep on thinkin' 'bout you  
I'm knockin' at the door of your heart but I can't break through

Father time  
Grant me just another day  
Of our love I tried to make her stay  
Father time  
Don't tell me it's too late  
All my life you know that I would wait  
Father time

Now she's gone  
She didn't even say good-bye  
I guess she didn't have the heart to try  
She didn't even have the guts to lie

Father time  
Only you can turn the page  
And close the curtain on this empty stage  
Only you can take my pain away

And my heart keeps breakin' and my body keeps aching for you  
It's time to hold on but there's nothin' left to hold on to

Father time  
Grant me just another day  
Of our love I tried to make her stay  
Father time  
Don't tell me it's too late  
All my life you know that I would wait  
Father time

Father, father can't you see I'm depending on you  
I'm dying at the door to your heart and I can't break through

Father time  
Grant me just another day  
Of our love I tried to make her stay  
Father time  
Don't tell me it's too late  
All my life you know that I would wait  
Father time

She's your child make her mine  
Father time
