

## The Answer

Richie Sambora

The lightning flashed as angels  
Rode fiery chargers through the clouds  
That answer scared me into tears  
And all the grownups laughed out loud

Now the years roll on, tired voices have all gone  
Now they ride their thunder through the heavens

There's a world in every drop of rain  
Embracing oceans sweep us home again  
Come along with me, come along with me  
Seek the truth, you shall not find another lie

They say for every living thing  
There's a guide up in the sky  
That helps you pass from world to world  
So you never really die

Then with scythe and cloak  
Death comes waltzing to your side  
As the visions pass you ask  
If there was meaning to your life  
As you strain to hear the answer, spirits sing, and devils fiddle  
le  
As he bends to whisper in your hear, he leaves you one more riddle

Oh, the answer lies beyond the pain  
All the questions in our minds, we surely ask in vain  
Come along with me, come along with me  
Seek the truth, and you shall find another life

And now my life is like a storm  
Growing stronger every day  
Like the unrelenting wind  
That comes to blow our lives away  
So I live each day like I know it's my last  
If there is no future there must be no past

Now I know the answers never meant a thing  
And with each instant that I breathe  
I feel the joy that life can bring  
Come along with me, come along with me  
Seek the truth, you shall not find another lie  
Come along with me, come along with me  
Seek the truth, you shall not find another lie
