Richie Spice

Unity we wah  
Unity we need

Peace, unity we need  
If you cyah come together then you never know peace  
Peace, unity we need  
If you cyah come together my brother

If all the fussin' and fight, all the fussin' and fight  
You hate me and I hate you  
We all gotta have to unite yes  
Unite, yes  
All the envy and the jealousy  
You disagree and I disagree  
We all gotta have to unite yes  
Unite, well

To segregate a foolishness  
A nation divided by itself cannot excel  
Break down all those evil spell, well  
Let's break these chains and start it a yard yah  
Expand your mind and start think broadah  
So it can filter down to yuh family  
Ooh family, family, family

All the fussin' and fight, all this fussin' and fight  
You hate me and I hate you  
We all gotta have to unite yes  
Unite  
If all yuh jealousy and yuh envy  
You disagree and I disagree  
We all gotta have to unite yes

If everybody blood  
Bleed the same color  
Baby, why can't we live in love  
We here strugglin' over power  
Money and greed  
Am I gonna live to see Jah Jah  
Root out the bad weed  
Tell yuh now yeah  
Some a go up  
Some a go down  
Di natty Dread inna di middle  
Still wafe and sound  
And when di wata rough  
Kibba yuh mouth  
With Jah ina di vessel we smiling at the stormy seas  
Jah Jah never give the heathen  
Power over ye  
Tell a yuh now  
Yes I tell yuh now

Unite in the East, unite in the West  
Unite in the North and unite in the South  
Wah yuh talkin bout?  
Got to come together

Got to get together  
Got to get yourself right, yes  
Got to know what to do  
And got to know what to stand for, yeah  
It's a universal unification  
That's what it is, that's how it is, yes

If all the fussin' and fight, and yuh fussin' and fight  
You hate me and I hate you  
We all gotta have to unite, yes
