

Enough Love

Rick Astley

Not so long ago my life was, oh, so easy
I did what I want, said what I want
I did what I want, said what I want
Not so long ago my life was, oh, so easy

I did what I want, said what I want
I did what I want, and then you came
Once in my life I found a joy like this
One special moment captured in a kiss
For the rest of my life I may never feel like this again, again

I don't know if I'm ready, I hope I'm strong enough
To be a man that someone can depend on
I don't know if I'm ready but I know I've got enough love

As the days go by I see that it's so easy
To do what I want, say what I want
Do what I want, say what I want
As the days go by, yeah, I feel that it's so easy

To do what I want, say what I want, do what I want
And only once in my life I may find a joy like this
One special moment captured by a kiss
For the rest of my life I may never feel like this again, again

I don't know if I'm ready, I hope I'm strong enough
To be a man that someone can depend on
I don't know if I'm ready but I know I've got enough love
I've got enough love, ooh yeah, I've got enough love, ooh

And only once in your life you may feel like this
One special moment captured in a kiss
For the rest of your life you may never feel like this again

I don't know if I'm ready, I hope I'm strong enough
To be a man that someone can depend on
I don't know if I'm ready but I know I've got enough love
