

I'll Be Fine

Rick Astley

Day and night, I wonder how you're feeling
I wonder if you'll ever change your mind
I don't know just what it is you're dealing
But I know you've got me in a bind

Day and night, I wonder how you do it
Put me in this awful state of mind
How on earth can you be so unfeeling?
How on earth can you be so unkind?

Well, I'll be fine with you in the morning
If you'll be good to me tonight
I'll be fine with you in the morning
If you'll be good to me tonight

You never want to sit and talk it over
You always want to run right out the door
Come and sit right down here on the sofa
Tell me, baby, right now what's the score?

Don't you tell me there ain't nothing doing
There ain't nothing else that's true to say
I just wanna hear my baby cooing
I don't wanna hear our love is dead

I will be fine with you if you be good to me

I'll be fine with you in the morning
If you'll be good to me tonight
I'll be fine with you in the morning
If you'll be good to me tonight

If you'll be good to me, I'll be fine with you
If you'll be good to me, then we just can't lose
If you'll be good to me, I'll be happy for all of my days

Day and night, I wonder how you're feeling
I wonder if you'll ever change your mind
I don't know just what it is you're dealing
But I know you've got me in a bind

Day and night, I wonder how you do it
Put me in this awful state of mind
How on earth can you be so unfeeling?
How on earth can you be so unkind?

Well, I'll be fine with you in the morning
If you'll be good to me tonight
I'll be fine with you in the morning
If you'll be good to me tonight
