

# Just Good Friends

Rick Astley

Said I love you a thousand times  
You don't betray your feelings  
But I can read the signs

Stars are shining on a sea of tears  
I show my true emotions  
I have felt for all these years

You cannot tell me  
That it's got to end this way  
There's nothing more to say

I just can't believe  
That you'll walk on out that door  
When I need you more and more

'Cause I'm falling in love with you again  
After promising to be  
Just good friends

You say you need me, but you turn away  
I've got to show you how I feel  
I've got to make you stay

You cannot tell me  
That it's got to end this way  
There's nothing more to say

I just can't believe  
That you'll walk on out that door  
When I need you more and more

'Cause I'm falling in love with you again  
After promising to be  
Just good friends
