

# Lights Out

Rick Astley

On the empty streets of this nowhere town  
The melting shadows fade  
And the dark is creeping up on me again

In between these sheets where I laid you down  
I tried to find some rest  
So I reach out for the switch but why pretend

'Cause I can't turn the lights out now  
I see your face  
No, I can't turn the lights out now  
My heart will break

'Cause everything I see  
Will end up killing me  
All over, all over again  
So I can't turn the lights out, turn the lights out

There's a clock that stopped ticking by the bed  
The second you were gone  
And it feels just like my heart stopped beating too

'Cause it's hard to keep those promises  
I made when I was strong  
Now I'm haunted by the ghost of you

And I can't turn the lights out now  
I see your face  
No, I can't turn the lights out now  
My heart will break

'Cause everything I see  
Will end up killing me  
All over, all over again  
So I can't turn the lights out, turn the lights out

It's so hard holding on  
It's so hard that you're gone  
It's so hard holding on  
Don't you know, don't you know

I can't turn the lights out now  
I see your face  
No, I can't turn the lights out now  
My heart will break

'Cause everything I see  
Will end up killing me  
All over, all over again  
So I can't turn the lights out, turn the lights out  
So I can't turn the lights out, turn the lights out
