

# Cop N Blow

Rick James

(Do-do-do-do-do...)

Uh, say girl

You look fine, freaky thing, you

I've got some love rap to put on you

Love me tender, love me right

Treat me special, come here tonight

Give me pleasure, and I'll give you fun

I'm not that kind of guy who likes to hit-n-run

I bet no one has ever said such things to you

Well pay attention, cause I'm not through

I bet no one has shown you what true love could be

It's happened to you, since you met me

Oh, I've been hurt by love before

Girl I know in my heart

Aah... blow!

I don't ever wanna cop-n-blow

No no, no no, yeah yeah yeah yeah

Blow!

I don't wanna cop-n-blow

No no, I don't wanna cop-n-blow, baby

Instead...

(Do-do-do-do-do...)

Uh, say young girl

I know you're old enough to understand what I'm saying to you

Now get on this, baby

Come on sweet thing, girl don't be shy

I won't hurt you, or make you cry

That's not my way girl, that's not my style

You'll feel so good girl, I think I'll stay a while

I bet no one has ever said such things to you

Talkin' sweet talk, the way I do

I bet no one has shown you what true love could be

Just come on baby, and follow me

Oh, I've been hurt by love before

And I know in my heart

Aah... blow!

I never ever wanna cop-n-blow

Baby, baby, baby, baby

Blow! No, no

I never ever wanna cop-n-blow

Baby, baby, baby, baby

Blow! Oh, no

I never ever wanna cop-n-blow

Baby, baby

Blow! Oh, no

I never ever wanna cop-n-blow

Baby, baby, baby, baby

Baby baby, blow!
