

# Doin' It

Rick James

Doin' it doin' it doin' it  
Doin' it doin' it doin' it  
Doin' it doin' it doin' it  
Don't stop baby don't stop  
Doin' it doin' it doin' it  
Don't stop baby don't stop

Something in the way you stare  
Makes me so aware girl  
You wanna groove with me tonight  
Do it baby yeah do it baby

I can see it in your eyes  
And it's no surprise  
You've been waiting for my charms  
All night do it baby yeah  
Do it baby keep on  
Doin' it doin' it doin' it  
Turn up you heart, light my fire  
Doin' it doin' it doin' it  
You're bringing down all my  
Passionate desires  
Doin' it doin' it doin' it  
Oh baby you're like a sex machine  
Doin' it doin' it doin' it baby  
Come to me baby come to me

Something in the way you kiss  
Girl, I can't resist  
Kissing you from head to toe  
Won't let go  
Do it baby yeah do it baby

I've been waiting just to do  
All the freaky things you might  
Want a man to do, tonight  
Do it baby oh yeah do it baby  
Gonna be  
Doin' it doin' it doin' it  
Turn up your heat light my fire  
Doin' it doin' it doin' it  
You've bringing down all my  
Passionate desires  
Doin' it doin' it doin' it  
Oh baby you're like a sex machine  
Doin' it doin' it doin' it  
Come to me woman come to me

Feelin' touchin' you  
And my love comes down  
Feelin' touchin' you  
And your nowhere around  
Feelin' touchin' you  
I just call your name  
Feelin' touchin' you  
Girl just like a fire flame  
Feelin' touchin' you

I heat up with desire  
Feelin' touchin' you  
Girl I take you higher  
I can see your face at night  
Our bodies touchin' in pure delight yeah

Makin' love to you all night long  
Don't stop don't stop  
Keep on  
Doin' it doin' it doin' it  
Turn up your heat light my fire  
Doin' it doin' it doin' it  
You've bringing down all my  
Passionate desires

Doin' it doin' it doin' it  
Oh baby you're like a sex machine  
Doin' it doin' it doin' it  
Come to me woman come to me  
Doin' it doin' it doin' it  
Oh baby you're like a sex machine  
Doin' it doin' it doin' it  
Don't stop baby don't stop

Ah please don't stop  
In the darkness of the night  
In my room by candle light  
Our bodies touch and our lips meet  
Your skin is soft and your lips are sweet  
Around and around I taste each part of you  
Where else girl would you like me to do  
Love and pleasure girl that's the name of it  
Here is something I know you won't forget

Ooh woman let me get down  
I won't stop until I'm through
