

Funk Wit Me

Rick James

I can't believe we're finally together
This is like a dream come true, baby
Yeah, I know, I feel the same way, too
Now that you're finally here, I don't quite know what to say
Just don't say anything
Let's get undressed and let our bodies do the talking
Come here

Yeah, yeah yeah
Oh yeah, oh yeah, oh yeah

I wanna run, but my feet won't leave the ground
I wanna bump you every time that I feel you smile
Every time you come, you bring the oceans and the stars
You bring the freak out of me every day of the week
No matter where you are

Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?
Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?

You're like a dream that just won't leave my mind
I wanna see you stripped down, give me head to toe lovin'
You know just what I like
Baby, keep it hot, 'cause I'm about to hit the spot
Let me take you deeper, baby
Let me take you deeper, baby
Deeper and deeper and deeper and deeper and deeper

Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?
Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?

Yeah, it's so good to be near you
Laying with your body close to mine
Yeah, girl
Don't that feel nice? (Oh yeah)

Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?

Funk wit' me, funk wit' me
Come on, baby, funk wit' me
Funk wit' me, funk wit' me
(Give it to me, baby)
Can we funk tonight?
