

# Hollywood

Rick James

Mama, sit down for me please  
Daddy, comfort her in this time of need  
Your one and only son has got to get away  
Before this ghetto life becomes the death of me

Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Hollywood

You have always taught me right from wrong  
You always told me I could sing myself a song  
Mom, I got to go, it's a case of do or die, do or die  
It's like you always told me, keep your head to the sky

Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Goodbye Mama, Goodbye Papa  
I'm going to do good in Hollywood  
Hollywood

You know, I've been dreaming  
I've been looking to the stars for light  
Mom, I've been thinking about it  
You know, I've been thinking about it all my life, all my life  
And I've been hoping, I've been hoping  
One day I might go to Hollywood, to Hollywood  
Where the singers, and the movie stars, and the people, living mountains  
And the sun shines all the time  
Ain't nothing much, and I got to keep on

Keep on, keep on, you're gonna make it good in Hollywood  
Keep on, keep on, you're gonna make it good in Hollywood  
Keep on, keep on, you're gonna make it good in Hollywood  
Keep on, keep on, you're gonna make it good in Hollywood  
Keep on, keep on, you're gonna make it good in Hollywood  
Keep on, keep on, you're gonna make it good in Hollywood

People keeping on, keeping on, and keeping on  
Keep on, uh  
Won't be long  
Till I get there  
Till I get there  
Won't be long  
I'm gon' be there  
Lord knows I got to be right there  
Won't be long and  
Won't be long and  
Won't be long and  
Won't be long and  
Won't be long and  
Won't be long and

Won't be long and  
Won't be long and  
Till I get there
