

# Running On Empty

Rick Price

Looking out at the road rushing under my wheels  
Looking back at the years gone by like so many summer fields  
In sixty-five I was seventeen and running up one on one  
I don't know where I'm running now, I'm just running on

Running on  
Running on empty  
Running on  
Running blind  
Running on  
Running into the sun  
But I'm running behind

Gotta do what you can just to keep your love alive  
Trying not to confuse it with what you do to survive  
In sixty-nine I was twenty-one and I called the road my own  
I don't know when that road turned into the road I'm on

Running on  
Running on empty  
Running on  
Running blind  
Running on  
Running into the sun  
But I'm running behind

Everyone I know  
Everywhere I go  
People need some reason to believe  
I don't know about anyone but me  
If it takes all night  
That'll be alright  
Cause I can get you to smile before I leave

Looking out at the road rushing under my wheels  
I don't know how to tell you all just how crazy this life feels  
Look around for the friends that I used to turn to to pull me through  
Looking into their eyes I see them running too

Running on  
Running on empty  
Running on  
Running blind  
Running on  
Running into the sun  
But I'm running behind

Honey you'll be the tempt me  
You know the way you look so kind  
Enough to stick around but I'm running behind

Running on  
You know I don't even know what I'm hoping to find (hoping to find)  
Running into the sun  
But I'm running behind
