

# Hello

Rick Ross

Hello, it's me  
I was wondering if after all these years  
You'd like to meet, to go over everything  
They say that time's supposed to heal ya  
But I ain't done much healing  
Hello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the world fell at our feet  
There's such a difference between us  
And a million miles

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore

Renzel, aka Ricky Rubin  
I miss you kissin' my lips, consoling my confidence  
I'll probably just ring the heart of something that's heaven sent  
Scars for the flesh, war wounds for the soul  
Success is another test and we wanted the highest score  
Mother did her job, fund a little love  
But it never was enough cause I wanna be a thug  
Tears fall all the way to the south of France  
Poverty line hang lower than my pants  
Invited to the Grammy's but I feel so out of place  
After we washed plates and they was always out of steak  
That is a sin, I was built to win  
Came to win the title, Rozay wavin' in the stands  
Academics was a myth, I can always plead the fifth  
Or give it to you live, Beethoven on the Fifth  
Your favorite films tank, Titanic sank  
Aroma of the dank as I'm breathin' through the bank  
Black market open for business from the pors to the riches  
From the pors to the riches  
From the pors to the riches  
From the pors to the riches

So hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore

Oooooohh, anymore  
Oooooohh, anymore  
Oooooohh, anymore  
Anymore

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything that I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore
